PRISM POWERWASH RENEWS CONTRACT WITH THE CITY OF FORT LAUDERDALE FOR THE UPCOMING FISCAL YEAR
(MAY 1, 2008-APRIL 31, 2009)

In 2007, Prism Powerwash proposed the Beach Business Improvement District Area Enhanced Maintenance and Beautification project in an effort to beautify the City of Fort Lauderdale in a safe, timely, and pleasant manner.

The City of Fort Lauderdale which is home to one of the busiest tourist areas on the eastern seaboard, welcoming over 10 million tourists a year, entrusted Prism with this incredible feat. Prism Powerwash successfully provided power washing six times in the past year and porter services 12 hours per day, 7 days per week for the past 365 days. Prism is proud to be serving the city for a second consecutive year. "In a project such as Fort Lauderdale, our success in maintaining over two miles of downtown beachfront is reflected by the synergy of our management abilities and consistent work ethic," says F. Michael Davis, President / CEO of Prism Powerwash, Inc.

Since 1990 Prism has developed from a small concern dealing with varieties of pressure washing to a successful company with the [infrastructure](#) to maintain and manage all facets of facility operations for over 1,000 properties in the United States and continuing to grow nationwide. Prism provides powerwashing, facility maintenance, and facility management for retail, commercial, municipal/ government, institutional, and corporate facilities expanding across the U.S. Their engineering expertise has enabled them to evaluate various manufacturer products and select the best equipment that is safe and environmentally conscious.
